

***Note:** *This company was producing an estate organizer. The goal was to make it easier on the people you left behind to execute your estate and ensure everyone is taken care of. These are a few that I suggested and they ended up using one from the list.*

1. Where there's a will there's a way
2. Solving the puzzle one piece at a time
3. We pick up the pieces
4. Will your legacy be a blessing or a curse?
5. We help you find the answers
6. Plan for the worst and live for the best
7. Plan for the future and leave your worries in the past
8. Life is a puzzle and we can help you assemble the pieces
9. Life is a puzzle and we can help you find the pieces
10. Life is a journey so start planning the trip
11. Let us be your guide
12. The best stories end without confusion
13. Plan for the future to provide for the present
14. Plan like there is no tomorrow
15. We plan like there is no tomorrow
16. Get it together before its too late
17. Want to leave your children something other than stress?

My favorites are number 14, 15 and 3
